

Dr. Shane Ebert Appointed as Vice-President of Exploration

July 05, 2011: Vancouver, British Columbia: Gold Reach Resources Ltd. (<u>GRV: TSX-V</u>) (Gold Reach or the Company) reports that that Dr. Shane Ebert, who joined the board of directors on April 4, 2011, has agreed to the position of Vice-President of Exploration, for both of the Company's projects, Ootsa and Auro.

Dr. Ebert brings years of porphyry expertise to the Company and is a registered professional geoscientist with the Association of Professional Engineers and Geoscientists of British Columbia. In 1991, Dr. Ebert completed his BSc with honours in geology from the University of Alberta, honours thesis: "Porphyry Cu-Au and Au skarn mineralization at the Christina and Skronk claims, northeast Yukon," and in 1995 completed his PhD from the University of Western Australia.

The Company also reports that the 2500 metre phase one drill program at the Auro project next to New Gold Inc.'s bulk tonnage gold discovery is nearing completion and that a 5500 metre drill program to bring the Breccia zone at the Ootsa project into NI-43-101 resource compliant standards will be commencing shortly.

Conrad Swanson president of the Company commented "Shane is acknowledged by his peers as one of the top porphyry experts and to have him head up our exploration team speaks volumes as to the potential of our projects."
